OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 30 June 1964

25X1 1. [ ] Met with Mr. Charles Johnson, House Post Office and Civil Service Committee, who indicated that he is contacting William Gullledge, of the Senate Committee, endorsing Mr. Gullledge's intention to amend the Pay Bill on the floor of the Senate to insert the necessary language to cover agencies which establish their salary levels by administrative authority. Mr. Johnson feels this is a preferable course to chancing parliamentary objection to insertion of the appropriate language in conference.

25X1 2. [ ] In response to Mr. Russ Blandford's request for information concerning one [ ] 25X1 [ ] JOT applicant whose file is being held for further consideration upon completion of his ROTC obligated duty, I advised Mr. Blandford that the fact that the Agency had not picked up [ ] the 25X1 period of his ROTC commitment, did not reflect anything derogatory in his file. Mr. Blandford thanked me for the information and requested if possible that the Agency interview the lad further for career employment.

25X1 3. [ ] I briefed Mr. Russ Blandford in general terms on the Agency appearance before the Moss Information Subcommittee on the use of the polygraph. Mr. Blandford suggested that the fact of our appearance before the Subcommittee on this subject might well be included in the agenda for our next meeting with the Subcommittee.

25X1 4. [ ] Left with James Kendall, Senate Preparedness Subcommittee staff, a paper prepared by DD/I on the so-called 25X1 [ ] Mr. Kendall was most appreciative of this information.

5. [ ] Mrs. Wright, in the office of Senator Hubert H. Humphrey, called again concerning the application of [ ] who was interviewed by the Office of Personnel as a result of an appointment made through General Carter's office. I advised Mrs. Wright, as I had advised her office during the week, [ ] application is in process but that it does not look favorable. We do not have an opening for him at the present time. I advised also that I would reaffirm the status of the application and be in touch with her.

6. [ ] Talked with Senator Barry Goldwater's office regarding a letter from the Senator to Mr. Warner asking that we chat with a law student from the University of Arizona, [ ] who has expressed an interest in speaking with a number of Washington's legal leaders. I indicated that Mr. Houston would be happy to talk with [ ] but in view of the distance to Langley, I would be pleased to talk with him at his convenience on the Hill.

8. [ ] Talked with Ray White, in the office of Senator Frank J. Lausche, regarding the Senator's transmittal of a constituent inquiry concerning press reports [ ] I told Mr. White that for reasons which I thought he appreciated, the Agency did not comment formally on matters of this sort. Inasmuch as the inquiry had also been referred to the Department of State, with whom we have been in contact on this case, I suggested that Senator Lausche's office handle this on the basis of State's response. Mr. White was most agreeable and said he would be happy to handle it this way.

25X1 9. [ ] Received a call from John Jackson,  
25X1 in the office of Senator Leverett Saltonstall. He said a former Agency  
employee, [ ] had been in touch with the Senator regarding  
a BOSTON GLOBE editorial which was critical of the Agency and indicated  
there was no congressional supervision over it. Jackson wanted to be  
sure that there was no objection to [ ] referring to the fact that 25X1  
Senator Saltonstall was a member of the Senate Armed Services CIA  
Subcommittee having responsibility for Agency matters. I assured  
Mr. Jackson that we had no objection to this. This call was reported  
to Mr. Chretien.
